### Library E-mail

[library@uthct.edu](mailto:library@uthct.edu)

---

### Easels

Thanks to Institutional Advancement, the Library now has additional easels to check out. To borrow one or more of them, please fill out a patron registration form in the Library, as the easels will be checked out on the same system used to check out books.

To reserve easels, email the Library at [library@uthct.edu](mailto:library@uthct.edu) (Library, Library in the Outlook directory), or call ext. 2865. Please specify the date and time of pick-up and the number of easels you will need. Remember that the Library's hours are 8:00-5:00 Monday-Friday, so you may want to pick up easels the day before an early meeting.

### Vanishing Journals

You may notice a gradual decrease in the number of bound and loose journals on the Library's shelves over the coming months. We have started another phase of our on-going project to withdraw the printed archives of journals that we have reliable long-term access to on the Web.

### Cold Spring Harbor Symposia on Quantitative Biology

The *Cold Springer Harbor Symposia on Quantitative Biology* are now available free online back to 2004. The *Symposia* are indexed in PubMed and other forms of Medline, and there is a link to the journal web site in the Library's

WebVoyage online catalog.

### Library Laptop

The Library has one laptop computer that can be used anywhere in the Library. It is normally located on the tall worktop behind the other computer workstations. It can be used on its own, or it can be connected to a larger monitor for group use in one of the private study rooms. Please reserve the room and the equipment in advance.

### Annals of Internal Medicine

Beginning in 2015, recent issues of the *Annals of Internal Medicine* are no longer available in the Library in hard copy. The journal continues to be accessible online.

### Payment for Library Services

The Library is no longer accepting credit card payments for amounts of less than \$3.00 for used books, unofficial printing, or other fee-based services. Payments for less than \$3.00 should be by cash or check. We appreciate your cooperation.

### Academic Center Security

Library staff is not authorized to open doors of non-Library rooms in the Academic Center, including classrooms, lecture halls, the amphitheater, or the President's conference room that adjoins the Library. Please contact the Police department (ext. 5297) in advance to unlock and re-lock rooms.

Your cooperation is appreciated.

### Thank You

- Department of Medical Education
- Office of Institutional Advancement
- Physical Plant
- Housekeeping
- Scott Turner, Research
- Kasandra Harris, Research
- Jesse Gomez, HR

- Barbara Caskey HR
- Dr. Mickey Slimp, NETnet
